Efficiency

does not consist in loading your mind with information, but in knowing how and where to locate necessary facts instantly.

The City Directory

contains more properly classified facts and information about the city and its people than any other book.

Increase the efficiency of your staff by providing them with copies of the current issue.

STREET, HOUSEHOLDERS AND BUSINESS GUIDE

and

HOME OWNERSHIP OR TENANCY DIRECTORY

Including

A COMPLETE STREET AND AVENUE GUIDE AND LISTS STREET BY STREET OF OCCUPANTS.

STREETS ARE ARRANGED IN ALPHABETICAL ORDER, SHOWING

A—The exact location and description of each Street.
B—The name of the occupant AT EACH NUMBER ON EVERY STREET.
C—Whether occupant at each number is the owner or tenant.

NOTE:—The streets marked ✠ are in the suburbs.

To find the occupation of individuals refer to the Alphabetical List of Names.

Following each business (or professional) name is shown the occupation in which they are engaged. A fuller explanation will also be found in the alphabetical section.

The Symbol (*) following the residence number, indicates that to the best of our knowledge someone living in the house is the owner.

This Home Owners and Tenants Directory is compiled from information taken on the special house-to-house personal canvass. We do not guarantee to be absolutely correct in every detail, but we believe it to be very accurate and complete, as far as it has been possible for us to get the information personally from someone at each residence. Where occupants have been absent the "Owner" information has been left out.
